LANGUAGE SKILLS

- Finnish: Mother tongue
- English: Excellent C2
- Swedish: intermediate B1
- Russian: basics A1

MILITARY SERVICE

Parola's armoured brigade, 6/2010 – 3/2011,

Rank: Medic

Honorary award: Medic of the year

During the service I accomplished First Aid 2 course.

CAREER AND PROFESSIONAL INTERESTS

I am interested in software development, microcontrollers and automation systems. Especially user interface and web development as well as mobile programming for Android are fields in which I wish to create a career and continue to improve my skills.

HOBBIES

My hobbies are actively parkour and guitar playing. Besides those, I dabble with electronics and microcontrollers. I also play seasonally football and go skiing. As a hobby I sell overall badges of my own design in student events around the country.
